

## *Alumni is all go*

**NUMURKAH ALUMNI  
PRESIDENT, HILARY  
VELLA, INVITES EX-  
NUMURKAH HIGH SCHOOL  
PEOPLE TO JOIN**

The committee of Numurkah Alumni was elected in late 2007 and has been busy planning for the future

This hard-working group has established a constitution and set of aims for the association and is now keen for others to join.

The benefits of joining include receiving the regular newsletter, of which this is the first, and keeping in touch with what's happening both at the

college and for other ex-students.

It is envisaged we will include reminiscences from various ex-students, teachers and others and we invite your contributions.

President Hilary Vella (McAllister) attended the school from 1972-77. Her siblings Wendy, Warwick, Stewart (dec), Margaret and Sandra are also past students.

Although she now lives in Toolamba with her husband David and has three daughters, one still at school, Hilary is very keen to see the Alumni be successful.

"See you at the BBQ on March 30!"

- **Numurkah Alumni** has already made a contribution to the college, with the presentation of two \$250 scholarships to students in Year 11 in 2007 who were deemed to be outstanding “all rounders”. These were presented by President Hilary on presentation night to Kendall Fraser and Leah Pizzini.
- We also had a page in the 2007 Bangerang, copies of which are available from the college for \$15.00 (for the whole magazine, not just our page)—a classy production.
- For those who still have a leaning towards one of the college houses, Tweddle won the swimming sports, Gray won the athletic sports, Christie won the cross country and Hunkin won the house spirit awards at both the athletics and swimming (go you reds!). Gray took out the champion house trophy.
- All those who have mourned the passing of the old Tech wing will have been pleased to hear the government is now going to put tech wings back into schools—what a novel idea! I fear it won’t be the same as when Harro, Parto, Norm Seymour and the rest of the techies ruled the roost! They won’t bring back the cuts, either.
- Anyone who hasn’t visited the college in the past decade will struggle to recognise it with all the demolition and building that has gone on. The March 30 BBQ will be a good chance to renew acquaintance with the buildings as well as the people. See you there.
